PLACEMENT RECORD BOOKLET

FROM 2010 TO 2023

(LIST OF OUR RECRUITERS BATCH WISE)

The Indian Agri-Food sector, valued at over \$400 billion and contributing 18% to the GDP in 2024, continues to grow and evolve. This dynamic sector encompasses five key areas: Agri Inputs (seeds, fertilizers, technology), Agri Outputs (crop and livestock production), Food Processing (value-added products), Allied Industries (dairy, poultry, fisheries), and Support Services (logistics, R&D). With over 30,000 companies—12,000 of which are in the organized sector—the industry offers significant career opportunities, especially in white-collar roles. As the
